In praise or Dispraise of Comon Lawyeres.

Lawyers they are plud to hold the comon people.

They punish those that doe offend and stabile.

They save wits running out the innocent
from being by lawless and from punishment.

They can but will not they the world owes
With misgoverned & dissorder Lawes.

They all wrouds have great sect of thier side
And they they want not beeing Amistis.

Some sin a pillar of the Church doth talk,
Rant over as if it were under all.

God's word to Rome; thier word to people.

Not cut his rooms but late and command.
